**Getting the FFC 211 Hoop Up**

Family & Friends Connection, Inc (FFC) has the 211 hook up. Yes, for real. Have you ever heard someone said ‘**give me the 411 on that situation?**’ Well, FFC has the 211 on the Broward situation.

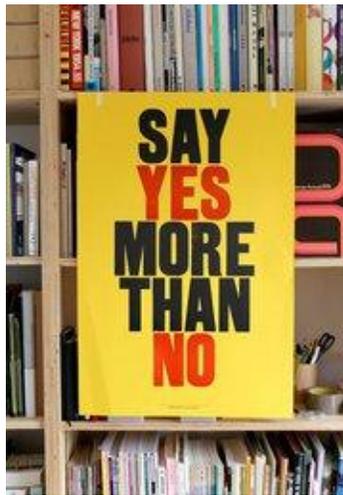

Every person who lives in Broward county has unlimited access to a confidential, information line that is helping to change lives. Why is FFC telling you about this? Not enough people know about the service, and those who know, have no idea how great it is, or how much good it can do for people in the community. No need to be embarrassed anymore.

FFC wants everyone to know that 211-Broward is a life line that they can tap into. **Dial 211 from any phone.** Reach out in confidence for any reason. Do you have a trusted confidant with whom you can share just about any and everything? Someone who will never judge you or call you stupid? Someone who will help you with whatever service or information

that you need 24/7/365? FFC is giving the information to get you that kind of connection...for **FREE**. A qualified professional will take your call. **2-1-1**

One of our main goals here at Family & Friends Connection, Inc, is to empower people in our community. Unfortunately because of a lack of funding, we mainly provide empowering information, and guide people who seek help, to our many outstanding community partners. **211 Broward** is one such partner and we want to let everyone know that we are very proud to partner with a source that is a huge bank of information and resources.

With this partnership, FFC can now say **yes** more times than we will say no, when we receive requests. If we cannot do it, we will guide you to 211 Broward and chances are they will. **Call 211 for every need!**

2011 promises to be no different from other years. The only difference is that the community is more equipped to handle life's stressors with the help of organizations like Family & friends Connection, Inc, in partnership with **211 Broward**. Go ahead dial 211 for whatever help you may need.
